### HELP FOR NEGRO REFORM LEAGUE

Rev. J. E. Purdy, who has charge of the Negro Reform School, which is located on Cedar street, is asking the public for assistance in helping to maintain the institution and help clothe the twenty-eight young boys he has under his supervision. This work is purely a charity and consequently expenses of carrying it on fall mainly on the men who have the institution in charge. Rev. Purdy asks that the public help him in this worthy cause. These twenty-eight boys have been obtained from Police and Criminal Courts and efforts are being made to make good citizens out of them rather than hardened criminals. The expense during the winter months is very heavy and the management will greatly appreciate any assistance that is given.

Next spring the boys will be taken to the country on a farm where they will all be able to make their own living. This cause has received much favorable encouragement and many have lent a helping hand.

### REMBRANDT STUDIO.

An important message, not the sixtieth Congressional message, but one that will benefit you. Cheer up. Don't have the blues. It is a cliché that there is more money than ever before. Don't listen to the fairy tales that times are hard and will be worse. There are a whole lot of people who seem to have the idea in their minds that the great American public have gone dead broke and haven't a "Sou Marquis," and they never made a greater mistake. Just because a few speculating bankers in Wall street have played with fire and had their fingers nipped is no reason why the whole country has become suddenly devoid of any purchasing power you must remember that cotton, wheat, grain and lumber will be sold for millions, and while there are few people who will hesitate in building homes or buying automobiles. So there will always be money to buy Xmas presents and the best present is to get one dozen of our best photos, something that will be more appreciated than some useless thing. We have a full line of holiday stock, the latest right hot off the market. All work guaranteed. Our photos stood the test at the Jamestown Exposition receiving one of the highest awards. Don't fail to see our letterette post cards. All photos taken in 4 days of Christmas will be ready for delivery Xmas day.

### WORKING FOR ROGER WILLIAMS.

The East Nashville children are certainly doing good work in their rehearsals for the concert Tuesday night. There were nearly 50 out at the first rehearsal and more are expected at the final rehearsal Saturday afternoon at 3 p. m. Mrs. Townsend seems happy over the outlook. She believes if the weather is favorable that the East Nashville children will make a great hit. She is working hard and praying that the gods may be propitious. The other ladies who are looking after the North, West and South Nashville children, report that their children are all ready—simply waiting for December 9 to come, so that they can show what their children can do. Since the children are so interested in this "Bee Hive Entertainment," parents where are you? Awake! Take on new life! Roger Williams must be rebuilt! Roger must be curtailed!

### MINE MANAGER SHOOT NEGRO.

Mt. Pleasant, Tenn.—On Wednesday afternoon, December 4, Will and Neely Hockney attempted to drive some miners to work against their will. Reece Johnson, one of the miners referred to attempted to assert his rights as a man, whereupon the two white men drew their revolvers and began pouring into the helpless man a volley of lead. They riddled his body with bullets, and he was dead before they stopped firing.

The Hockneys went on as if they had only been shooting at a rabbit. When they finally met a deputy sheriff they told him they had killed an impudent Negro, and he commended their act.

The Negroes are leaving the mines in great droves, not feeling safe to remain in that vicinity.

The Hockneys bore a bad reputation, having been into several difficulties in the last month or so, and they keep the vicinity in constant fear.

The deputy sheriff was afraid to make any attempt to arrest them, as he believed they would shoot him down as they had the unfortunate Reece Johnson.

Dan Howse was found guilty of murder in the first degree, but with mitigating circumstances, in the Criminal Court. The jury was charged Wednesday afternoon, and after being out only a short time returned its verdict. A motion for a new trial was entered and will be heard Saturday.

It will be remembered that Howse killed Armstrong on Jo Johnston avenue, near Quarry street, early one morning some weeks ago. They had quarreled the previous night.
